NUMBER 10.

Annual Town Meeting.

Road Improvement Assured After Much Consideration. Enthusiasm on all Articles.

One of the largest and most interesting town meetings to be held in Norway, took place Monday at the Opera House. There were several candidates up for the various offices and many of the articles were of unusual interest to the town at large and called out a crowded house from 10 in the forenoon till 4 in the afternoon. The gallery was well filled during the afternoon by spectators.

A. S. Kimball was chosen moderator, who handled the meeting in his usual orderly manner and to the approval of all.

Two candidates were up for Town Clerk, Stuart W. Goodwin and Harry Packard, and while usually only a few votes are cast, this year 350 went into the box, 288 of which were for S. W. Goodwin.

The articles passed over were those relating to the election of Selectmen for three years, the raising of money for pupils in rural districts of less than 25 pupils, the raising of money for a soldier's monument, the raising of money for illuminating the town clock nights and the raising of money for enlarging the Academy.

The election of the board of Assessors called a strong vote, George Holmes and Moses P. Stiles both ran for 1st selectman. Mr. Holmes received 380 votes against 103 for Mr. Stiles. The second selectman, W. A. Hersey received 451 votes and Asa D. Frost for third selectman received 475.

There were two candidates for town treasurer, Stuart W. Goodwin and James N. Tubbs. Mr. Goodwin was chosen treasurer by 381 votes, against 100 for Mr. Tubbs. F. W. Sanborn was chosen town agent with 474 votes. L. H. Truitt was elected a member of the superintending school committee for 3 years by 453 votes. The trustees of the Norway Public Library are Dr. B. F. Bradbury, 451 votes and Frank P. Towne with 470 votes. For town officer, Horace Sanborn was chosen with 451 votes.

The constables for the ensuing year are:

W. A. Bicknell, G. F. Millett, E. W. Hutchins, John W. Truitt, F. E. DeCoster, G. A. Morse, E. D. Thurston, G. P. Hathaway, E. F. Robber, E. A. Hall, G. C. Libby, S. Harriman, C. V. Webster.

There were five candidates up for tax collector each of whom gave a bid of 112 per cent. The candidates were D. M. French, P. F. Stone, Chas. Pike, Victor Partridge and S. Harriman. It was necessary to vote twice for tax collector and Charles Pike was elected, receiving 152 votes, necessary for choice 151.

Rufus K. Merrill was chosen road commissioner with a vote of 246 votes.

The following appropriations were made:

Support of poor, \$1,500.

It was voted to abate the taxes of the heirs of W. S. Pratt for 1913, voted to insure only village and Lake school property schools will be maintained on Frost Hill and in the Millerville neighborhood; \$500 was voted to purchase land near the schoolhouse if the S. I. Millitt heirs will sell for that price; Nov. 15, 1913 is the date set when all taxes shall become due and 6 per cent. shall be charged after that date; poll taxes become payable July 1st.

The most discussed question of the whole meeting was that relating to the improving of Main street. Hon. J. A. Roberts said that he had made investigation and he believed that the top of the present road would be removed, the bed rolled down hard, a layer of graded sizes of broken stone filled in 6 inches, then a layer of 1 part Portland cement and 1 part sand, and over this a thin layer of sand and asphalt. The need for this change was not much discussed as it seemed too evident. A "yes" and "no" vote was taken and 459 votes cast, 363 yes and 121 no and the town authorized the municipal officers to issue town bonds for the sum of \$35,000 to construct a concrete or concrete or other improved street from the head of Main street to the Tannery bridge or farther and also sidewalks. These are to be serial bonds of \$1,000 each, \$1,000 coming due each year, interest not to exceed 4 per cent. and payable semi-annually. A committee consisting of H. B. Foster, W. P. Jones and H. F. Andrews were authorized to do the contracting for the work of the road with all necessary legal power.

214 yes votes were cast for the purchase of a stone crusher against 10, the same not to exceed \$2,000. It was voted to have a committee appointed to investigate and go over the Town Warrant and see if the appropriations are needed, etc. and to report at the next annual meeting.

The following were appointed to act on this committee: George W. Holmes, W. A. Hersey, Asa D. Frost, Stuart W. Goodwin, Rufus K. Merrill, T. C. Morrill, E. O. French, H. G. Dismore, H. E. Jackson, F. Your Pocket-Knife, the Best Tobacco-Cutting Machine

Because it cuts the tobacco off the plug as you use it —insuring you fresh tobacco for every pipeful. When machines chop up tobacco months before it reaches your pipe, the little pieces of tobacco lose their aroma. When you smoke them, they burn fast and hot, and bite your tongue.

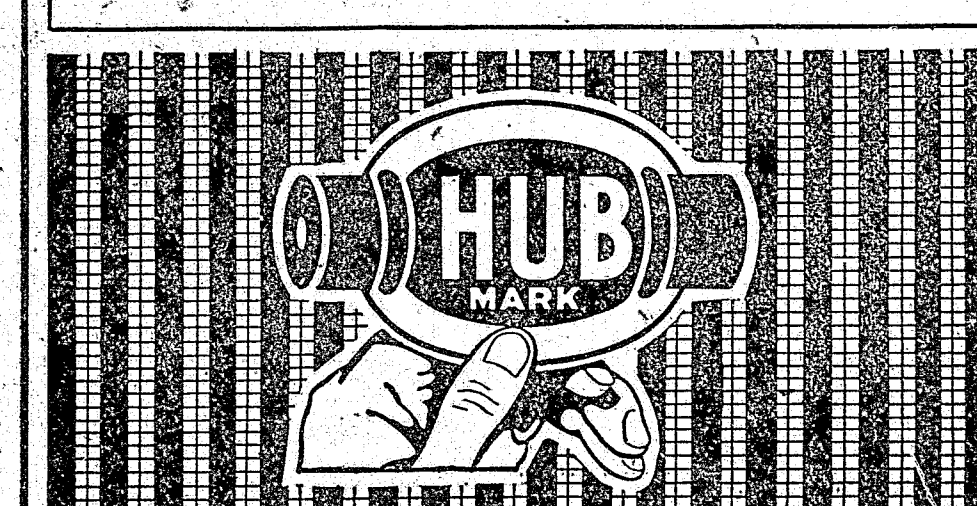

All the natural moisture, flavor and fragrance of the tobacco are pressed into the Sickle Plug, and kept there by nature's own protector—the natural leaf wrapper. It only takes a couple of minutes to whittle off a pipeful—and you are rewarded by a cool, sweet, satisfying smoke—that no ready-cut-up tobacco in the world can give you.

Convenient—no bulge in your pocket. Economical—no package to pay for—no loose tobacco to get spilled and wasted. Get a plug of Sickle at your dealer's today.

For Cleansing the Blood

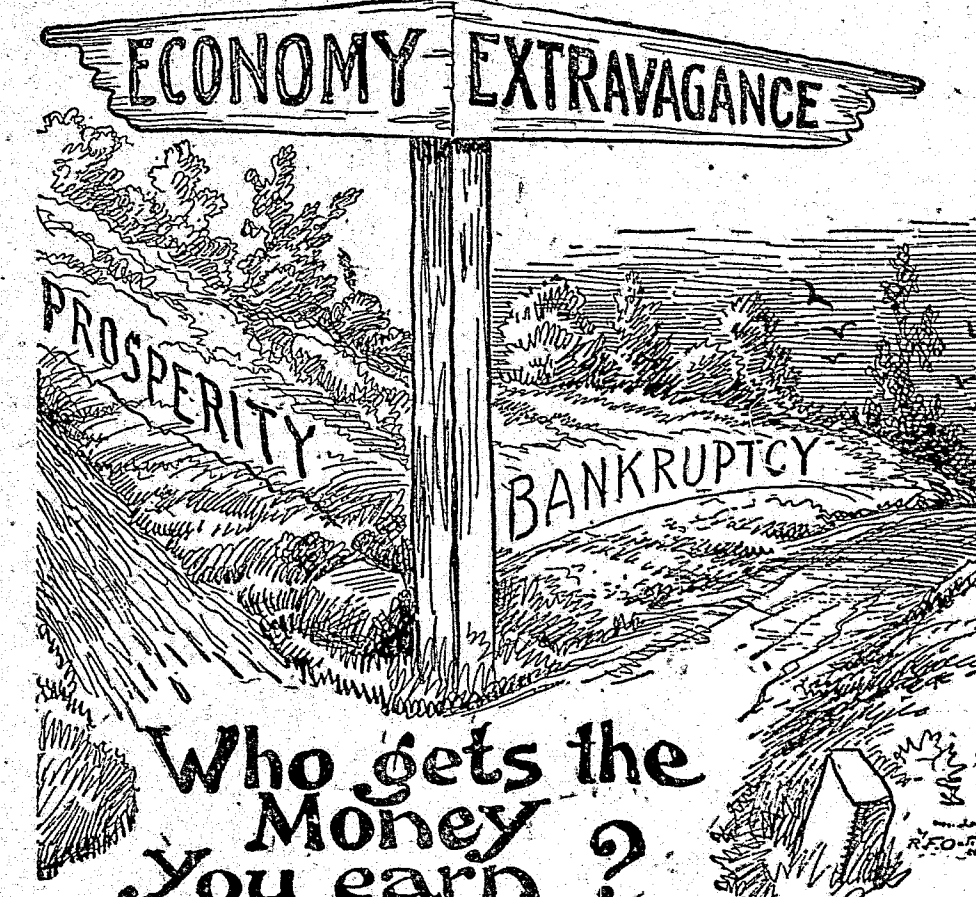

I have never found anything equal to Hood's Sarsaparilla. In our home it is regarded our general family medicine. We use it whenever we are bilious or run down, or have impure blood or that tired feeling. I regard it only simple justice to speak well of this medicine, that has proved its worth so many times. Certainly we would not know what to do were we deprived of Hood's Sarsaparilla." Mrs. L. H. Nussbaum, Goshen, Indiana.

It is because it combines the great curative virtues of more than 20 valuable ingredients—just those prescribed by the best physicians—that

Hood's Sarsaparilla

Possesses such remarkable curative power. It is the Spring Medicine for the blood, stomach, kidneys and liver. Get a bottle today.

A Newspaper Man Writes an Open Letter to Dr. Hartman

S. B. Hartman, M.D.

I give below an extract from a letter written to me by the business manager of one of the leading newspapers of this country. He said in part:

"I was very much interested in your article about the use of alcohol in patent medicines. As you know, your ad. has been running in my paper more or less for the last twenty years. I have been frequently criticized for advertising your remedy on the ground that it contained alcohol and was therefore harmful."

"I am not a doctor myself and do not profess to know anything about such subjects. But I wish I had been supplied with the information contained in your article years ago. Your article exactly meets all the objections that I have had to contend with. 'That alcohol is a useful drug and is the active principle of wine, beers, cider and other beverages' is to me a new thought. That it is a useful remedy and assists the other ingredients in making a cure, I cannot doubt after reading your article."

"I think so much of your article that I am going to have a reprint of it made and strike off thousands of them."

which I shall mail to objectors as they may arise in the future. A great deal of information to the public. I think the newspapers can well afford to publish them gratis, for the articles you have been furnishing me lately constitute some of the best things that occur in my paper. I wish you continued success in your magnificent work."

My dear Sir:—I appreciate your letter. It is not the only one of the kind I have received.

I know that Peruna has been greatly misrepresented and misunderstood. I have not had time heretofore to answer these objections. I have been too busy in my many enterprises. My great aim, with its various departments, has so thoroughly engaged my enthusiasm and attention in times past that I could give little heed to critics.

But I have taken up the matter now. My farm is in the hands of intelligent overseers and my other business is all organized in such a way that I can give my attention to these matters. I am proposing now to explain to the public all there is to say about Peruna, knowing full well as soon as the public understands it that the malicious things said about Peruna will be quickly forgotten. PERUNA IS FOR SALE AT ALL DRUG STORES.

FRYBURG.

A Surprise.

The most festive occasion on Fish street was the celebration given on Feb. 18th at the home of Mr. and Mrs. Alfred Dugan in honor of his 75th birthday, and also the birthdays of the rest in the neighborhood that come in the month of February. During Mr. Dugan's absence in the hospital, his friends, who were neighbor Smart's invitation to go to the city with him, the friends assembled and gave him a jolly greeting on his return. A picnic dinner including a delicious oyster stew was served, after which music and readings were given.

As Mr. Dugan is engaged in caring for a flock of Leghorn pullets that do not seem inclined to lay and are notoriously wild and nervous, the following verses were read, while behind a tiny pine tree, full moon, on whose top perched some leghorns was pinned, thus illustrating the reading.

This leghorn looking up to the sky Wonders if ever she could fly so high. For when she was a little chick and soon said to herself, "I'll lay pretty soon." So when she concluded to lay eggs, She flew up to the top of Dave's pine tree. Now said she, "I'll try my best." So here she sits, perched on the moon. We hope as she said, she'll lay pretty soon.

Those Leghorn Hens.

Here stands a pine so tall and grand, And over that in quick alarm This leghorn pullet flies.

You wonder why she flies so high, And why she flies so high.

If I should tell the reason why, You'd laugh and say, "I know." We wonder too why such a bird With nimble wings and legs

Set in for neighbors Dugan here, Set in and lay some eggs.

Up in the moon or which she flew, There lives a shrewd old man

Who winks his eye and laughing said, "I've got a real good plan."

"I've heard it said by those who know That Leghorn hens will lay every day. So I'll have my best And get to work and straightway build

A nest in the moon's house. "There are no fences they can scale, They can't jar me a peg. And by the way, I'll have A leghorn pullet's egg."

Now down below upon our sphere, Four Dugan's eggs in vain, When will you pay your grain."

He feeds and waters them each day, In rational and sane way.

Then says to wife in desperate tone, "What you do with these eggs."

His wife can't ease his troubled mind, So out of doors he goes And up above him all so fair

In quiet calm repose. Sits moonmy man all face and smiles, Yet minus arms or legs

While in his mouth place Dugan sees Him eating Leghorn eggs.

Dr. E. C. Pyrum Perry, in her able manner recited "Deacon Prim" causing a merry laugh. The would be mentioned that the Doctor will be ninety-three her next birthday, next month.

Those present whose birthdays come in February were: D. A. Bradley the 9th, Mrs. E. W. Jones the 12th, Mr. Dugan the 18th, and Mrs. Leon Charles the 19th. There was a hearty exchange of congratulations and birthday cards and all too soon it came time to bid our host and hostess farewell. When we looked in that February were born Lincoln, Washington and the ones on Fish street it is a wonder that Fryburg is placed second on the calendar?

Be winter mild or winter colder, Each year goes by and makes us older But in his month place Dugan sees Him eating Leghorn eggs.

To make folks glad we are alive.

You know us. You know we would not—that we could not afford to go back on our word. Nor can you afford to ignore this money-back-if-not-satisfied offer on this splendid laxative.

We honestly believe we have the best bowel remedy ever made—the most pleasant to take, most permanently beneficial laxative for relief from the miseries and dangers arising from constipation.

We wouldn't say this if we didn't believe it to be true. We wouldn't risk our reputation by making such statements did we not feel sure you would find them true.

Our faith is built both on the knowledge of what Rexall Orderlies are made of and on observation of very many severe cases in which they have proven their merit.

Try them at Our Risk

If they do not abundantly prove their merit with you also—if you are not entirely satisfied with them—we will refund your money—and we will do that on your mere say-so. We don't ask you to risk a penny. Isn't that fair?

Just let the bowels fall in properly doing their work—just let their action be delayed and incomplete and the entire system and every other organ suffers. Wastes that

Last month Gov. Brown and myself were at the Agricultural College building and in the discussion of the ravages of the disease, Gov. Brown gave the remedy named as undervalued."

"Stomach Misery ALL GONE"

"My! How I Did Suffer But Now I'm Happy All Day Long and Sleep Fine!"

This was what a woman said just a few months ago. She said more and here it is.

"I wish I had within my power to persuade every woman sufferer from dyspepsia or indigestion (or whatever they may think their stomach trouble is) to give Mc-O-N-A Stomach Tablets one week's trial. I am sure that every one of them would thank me from the bottom of her heart."

"I am well and happy for the first time in years and do not hesitate to say that Mc-O-N-A Stomach Tablets cured me. I have been suffering from Stomach Misery for years and have tried every remedy I could get but nothing would do me any good until I began to take Mc-O-N-A Stomach Tablets. I feel like a new woman now and I will return the cost—50 cents. 9-10

LOVELL

The Proposed Railway.
At the town meeting of Monday the article calling for action on loaning the credit of the town to the amount of \$20,000, by purchase of bonds or otherwise, in aid of the proposed Fryeburg, Stow & Lovell Railway, was laid on the table for action at an adjourned meeting to be held the 17th at 2 p. m. An informal vote was taken, which showed the voters to be strongly in favor of the proposition.
The plan of those who have the matter in charge is for the road to start from the Maine Central at Fryeburg, thence following the west side of the river to North Fryeburg and then to the Harbor. Then up the easterly shore of upper Kezar Lake until deep water is reached, then easterly through the farm of S. L. Plummer to Lovell village.
It is founded on the charter of the old Fryeburg Horse Railroad which has been amended in name and granted an extension of its route, and change in its motive power.

Minstrel Show.
The Minstrel show last week, Thursday and Friday, was all it promised to be, a great success. A good two hours' program was given each night to a full house. There were plenty of laughable songs, jokes and pantomime, with some music interspersed in for variety. It would be hard to mention any who were especially good, for all did well. Very few were prepared with encores but all received hearty applause. A few numbers given the first night were repeated on the second night, thus giving an extra half hour of entertainment.

The chorus was made up of ten ladies who were Mrs. F. S. Farnum, Mrs. L. H. Penley, Mrs. A. D. Swift, Mrs. C. E. Dunham, Mrs. A. C. Forham, Mrs. F. E. Davis, Mrs. P. C. Mayhew, Mrs. S. T. White, Hazel Bacon, and Miss R. Murphy. The circle men were H. R. Tuell, Dana Grover, C. E. Chase, Rollin Stetson, Maynard Chase and Fred Dunham. And men, A. J. Kane, and Roy Forham with bones, Carroll Bacon and Edgar L. Wood with tambourines, making twenty in all. There were four pickaninnies, Raynold Chase, Dale Swift, Leona Marston, and Beatrice Davis. Clarence L. Ridlon acted as emcee.

The cake walk exhibited the second night was made up of three couples, one burlesque couple and two pickaninnie couples. A very pretty cake fancily decorated with a bunch of roses in the center, made by a professional baker, was presented to the couple who received the heartiest applause from the audience at the close of the dance, and was awarded to the two pickaninnie couples.

There has been some talk of repeating the show somewhere else but it is not fully decided yet.

Thelma Emery has been sick for a week past.

Harold Dunham was at home from Colby college over last Sunday.

Laura Barden received a visit from her friend, Emma Thurston, of Newry, a few days last week.

Mrs. Ernest Field of North Paris has bought A. R. Tuell's place which his son, George, now occupies. She and her family expect to move into it in the spring.

"Hickory Farm," a drama played by Buckfield cast of characters is coming here to play in Grange Hall Friday night, Mar. 8. They come highly recommended by those who have heard them elsewhere.

Rev. J. C. Robbins, a returned missionary from the Philippine Islands, will speak here next Sunday evening, Feb. 9, at the Baptist church. His talk and experience will be very interesting and instructive. All are cordially invited to attend.

Mrs. Lillian Martin, who lives with her mother, Mrs. Edith Curtis, and lane sister, Vesta, and has to turn her hand to some of the more masculine duties about the home, is very much pleased with a present of a new axe given to her by the employees of the L. M. Mann & Sons' clothes pin mill, who discovered that the axe she had been using was too old for future service.

Iva Doris, the little year and a half old daughter of Mr. and Mrs. William H. Pratt, passed away last week, Thursday evening. She had been quite sick for several days. The sickness finally developing into larynx and diphtheria, which caused sudden death. It is a hard blow to the stricken parents. No funeral could be held and the home is still under quarantine.

Your correspondent received an interesting letter from Mrs. S. J. Lyons containing the following item for publication, which explains its purpose: "Zephyr Hills, Florida, Feb. 20, 1913.—In this city, S. J. Lyons of Tampa, Fla., and Mrs. H. B. Mooney of West Paris, Maine, were married by Rev. J. T. Stebbins." Mrs. Lyons has the best wishes of her many friends here.

Their son, Edward, is staying with C. H. Lane and family.

Over 300 people from all parts of the county attended Pomona Grange here on Tuesday. The forenoon was spent in business and conferring the 5th degree on ten candidates. After dinner an interesting program was enjoyed consisting of a musical trio and songs by Mr. George W. Churchill, Mrs. Bird, Mr. Bird, Mr. Hall from Buckfield and Mrs. George from Hebron; a recitation by three readings by Al Moore of South Paris; also singing by the Grange choir. One piece was composed by Rev. J. H. Little and set to the tune of "Gloria Gloria Halliblah." An interesting address was given by State Master Stetson.

LOVELL
The Proposed Railway.
At the town meeting of Monday the article calling for action on loaning the credit of the town to the amount of \$20,000, by purchase of bonds or otherwise, in aid of the proposed Fryeburg, Stow & Lovell Railway, was laid on the table for action at an adjourned meeting to be held the 17th at 2 p. m. An informal vote was taken, which showed the voters to be strongly in favor of the proposition.
The plan of those who have the matter in charge is for the road to start from the Maine Central at Fryeburg, thence following the west side of the river to North Fryeburg and then to the Harbor. Then up the easterly shore of Upper Kozar Lake until deep water is reached, then easterly through the farm of S. L. Plummer to Lovell village.
It is founded on the charter of the old Fryeburg Horse Railroad which has been amended in name and granted an extension of its route, and change in its motive power.

WEST PARIS.

The Minstrel show last week, Thursday and Friday, was all it promised to be, a great success. A good two hours' program was given each night to a full house. There were plenty of laughable songs, jokes and performing, with some more sober songs mixed in for variety. It would be hard to mention any who were especially good, for all did well. Very few were prepared with encores but all received hearty applause. A few numbers given the first night were by request repeated on the second night, thus giving an extra half hour of entertainment.
The chorus was made up of ten ladies who were Mrs. F. S. Farnum, Mrs. L. H. Penley, Mrs. A. D. Swift, Mrs. C. P. Dunham, Mrs. A. C. Perham, Mrs. F. E. Davis, Mrs. J. C. Mayhew, Mrs. S. T. White, Hazen, Mrs. Mayhew, Miss E. Murphy. The circle men were H. R. Tuell, Dana Grover, C. E. Chase, Rollin Stetson, Maynard Chase and Fred Dunham. End men, A. J. Keane and Roy Perham with bones, Carroll Bacon and Edgar L. Wood with tambourines, making twenty in all. There were four pickaninnies, Raynold Chase, Dale Swift, Leona Marston and Beatrice Davis. Clarence L. Ridgion acted as interlocutor.
The cake walk exhibited the second night was made up of three couples, one burlesque couple and two pickaninnie couples. A very pretty cake fancily decorated with a bunch of roses in the center, made by a professional baker, was presented to the couple who received the heartiest applause, from the audience at the close of the dance, and was awarded to the two pickaninnie couples.
There has been some talk of repeating the show somewhere else but it is not fully decided yet.

Thelma Emery has been sick for a week past.
Harold Dunham was at home from Colby college last Sunday.
Laura Barden received a visit from her friend, Emma Thurston, of Newry, a few days last week.

Mrs. Ernest Field of North Paris has bought A. R. Tuell's place which his son, George, now occupies. She and her family expect to move into it in the spring.

"Pickory Farm," a drama played by Buckfield cast of characters is coming here to play in Grange Hall, Friday night, Mar. 14. They come highly recommended by those who have heard them elsewhere.
Androsoggin Lodge, L. O. O. F., of Auburn, will visit here Saturday, March 8th, and work the first degree seven candidates. A banquet will follow. All members of the West Paris Lodge are requested to attend.
Rev. J. C. Robbins, a returned missionary from the Philippine Islands, will speak here next Sunday evening, Feb. 9, at the Baptist church. His talk and experience will be very interesting and instructive. All are cordially invited to attend.
Mrs. Lillian Martin, who lives with her mother, Mrs. Eliza Curtis, and lame sister, Vesta, and has to turn her hand to some of the more masculine duties about the home, is very much pleased with a present of a new axe given to her by the employees of the L. M. Mann & Sons' clothes pin mill, who discovered that the axe she had been using was too old for future service.
Ira Doris, the little year and a half old daughter of Mr. and Mrs. William H. Pratt, passed away last week, Thursday evening. She had been quite sick for several days, the sickness finally developing into diphtheria, which caused sudden death. It is a hard blow to the stricken parents. No funeral could be held and the home is still under quarantine.

Your correspondent received an interesting letter from Mrs. S. J. Lyons containing the following item for publication, which explains its purpose: "At Oysterhill, Florida, Feb. 20, 1913-In this city, S. J. Lyons of Tampa, Fla., and Mrs. H. B. Mooney of West Paris, Maine, were married by Rev. J. T. Stebbins." Mrs. Lyons is the best wishes of her many friends here.

Edward D. Stillwell has been very ill for the past week and had a trained nurse. They also sent for his daughter, Mrs. A. L. Bowker of Millsfield, N. H., who came last Friday. On Monday he was taken on a cot bed to the O. M. G. hospital for examination. Mrs. Stillwell and Mrs. Bowker accompanied him and have remained in Lewiston up to this writing. Their son, Edward, is staying with C. H. Lane and family.

Over 200 people from all parts of the county attended Pomona Grange here on Tuesday. The forenoon was spent in business and conferring the 5th degree on ten candidates. After dinner an interesting program was enjoyed consisting of a ladies' trio and songs by Mr. Grover, Mr. Churchill, Mr. Bird, Mr. Bird, Mr. Hall from Buckfield and Mrs. George from Hebron; a recitation by little 4-year old Ota Kimball and two or three readings by Al. Morse of South Paris; also singing by the Grange choir. One piece was composed by Rev. J. H. Little and set to the tune of "Glory, Glory Hallelujah." An interesting address was given by State Master Stetson.
